## REPORT OF THE UNDER-SECRETARY OF STATE FOR EXTERNAL AFFAIRS.

---

The Right Honourable R. L. BORDEN, P.C.,  
Secretary of State for External Affairs,  
Ottawa.

SIR,—I have the honour to submit my annual report on the proceedings, transactions and affairs of the Department of External Affairs for the year 1912-13.

The more important subjects of correspondence with which the Department has been concerned, grouped as they regard Canada's relations with Foreign Powers and with other portions of the Empire, are briefly reviewed below:—

### RELATIONS WITH FOREIGN POWERS.

#### NORTH ATLANTIC COAST FISHERIES.

The question of the constitution of the Mixed Fishery Commission, provided for by the agreement with the United States of the 20th July, 1912, to determine the reasonableness of future regulations affecting the North Atlantic Coast Fisheries, has been under the consideration of the two Governments and there is every prospect of a satisfactory personnel being soon decided upon.

#### PECUNIARY CLAIMS AGREEMENT WITH THE UNITED STATES.

The Tribunal for the arbitration of claims under this agreement has now been formed. Sir Charles Fitzpatrick, Chief Justice of Canada, has been selected as the British Arbitrator, Mr. Chandler Anderson as the Arbitrator of the United States; and these two members have concurred in the appointment of Mr. Henri Fromageot, an eminent French advocate, as third member or umpire.

The British Agent before the Tribunal is Mr. C. J. B. Hurst, C.B., of the Foreign Office; Mr. E. L. Newcombe, C.M.G., Deputy Minister of Justice, having been appointed as Associate British Agent. The United States Agent first appointed was Mr. S. Mallett Prevost, who has since been succeeded by Mr. Robert Lansing.

The Tribunal held its first Meetings at Washington on May 13th, the sessions continuing until the 17th of that month. Adjournment was then taken to the 9th of June when it re-assembled at Ottawa and remained in session there until the 18th June. The next meeting is to be held at Washington on the 9th March, 1914.

## INTERNATIONAL BOUNDARY WATERS.

The following questions arising under the Boundary Waters Treaty of 1909 with the United States have been referred to the International Joint Commission:

*Pollution of Boundary Waters.*—At the request of the two Governments, the Commission has been asked to examine and report as to the causes by which boundary waters have been injuriously polluted, and as to the means to be taken to remedy or prevent such pollution, and this question is now receiving consideration.

*Livingstone Channel Question.*—Reference was similarly made of the question of the necessity for the erection of a dyke, or other compensatory work, in connection with the dredging by the United States of the Livingstone Channel in the Detroit River, and the adequacy of certain works proposed by the United States to meet such necessity if it were found to exist.

The Commission decided that the erection of a dyke was desirable, indicated its proper location and recommended other necessary measures.

*Lake of the Woods.*—The Commission was also asked to report whether it is practicable and desirable to maintain the waters of this lake at a stated level and, if so, at what level, and further to determine the extent and value of lands likely to be submerged, and to recommend the means for regulating the volume, use and out-flow of the waters so as to maintain the desired level with the least possible damage to public and private interests. No report in this matter has yet been made.

*Dam at Kettle Falls.*—Application was made to the Commission by the Rainy River Improvement Company for the approval of plans for a dam at Kettle Falls, but on the ground that the Tribunal had no jurisdiction to entertain the application it was dismissed.

*Boom in Rainy River.*—A further application by the Watrous Island Boom Company for the approval of a boom in the Rainy River has also been considered, but no decision has yet been announced.

TREATY WITH THE UNITED STATES FOR THE REGULATION OF FISHERIES IN WATERS  
CONTIGUOUS TO THE INTERNATIONAL  
BOUNDARY.

The United States Congress has not yet taken steps to provide for the enforcement in the United States of the regulations prepared by the Commissioners under this Treaty.

## PELAGIC SEALING.

Difficulty having been found in extending to Canada by Order of the King in Council the operation of the Act of the Imperial Parliament passed to provide for the enforcement of the provisions of the quadri-partite treaty of 1911, an Act to authorize their enforcement, so far as Canada was concerned, was passed by the Canadian Parliament on the 6th June, 1913.

By Act of Congress passed the 24th August, 1912, the United States, under a power reserved by the Treaty, suspended for a period of five years from that date the killing of seals on the Pribylof Islands. Similar action in respect of the rookeries on the Commander Islands was taken by Russia, land killing being prohibited for the period covering the years 1912 to 1916 inclusive. Canada is thus deprived for five years of the percentage of skins to which she is entitled under the Treaty when land killing takes place.

## ALASKA BOUNDARY DEMARCATION.

Good progress has been made in this work, the demarcation being now completed from the Yukon River to the Arctic Ocean; south from that river to Mount Natazhat very little remains to be done; and operations have been begun on the portion in the difficult mountainous region lying between the latter mountain and Mount St. Elias.

## TREATY OF COMMERCE AND NAVIGATION WITH JAPAN OF THE 3RD. APRIL, 1911.

Parliament having sanctioned the application to Canada of this Treaty, with the exception of Article VIII. providing for special tariff treatment, on the understanding that it should not affect the provisions of the Canada Immigration Act, Canada's adherence to the Treaty was duly notified on the 1st May, 1913.

RELATIONS WITH OTHER PORTIONS  
OF THE EMPIRE.

## TRADE AGREEMENT BETWEEN CANADA AND THE WEST INDIES.

The Agreement of the 9th April, 1912, with certain of the West Indian Colonies was approved by the legislatures of these Colonies, by the Canadian Parliament and by His Majesty's Government, and was duly brought into operation on the 2nd June, 1913.

## ROYAL COMMISSION ON TRADE AND RESOURCES OF THE EMPIRE.

Sittings of the Commission were held in London in October and November, 1912; and on the 28th December, 1912, an interim report was submitted with Minutes of the evidence taken at these sittings.

In February, 1913, in pursuit of its investigations, the Commission visited Australia and New Zealand, but no report of the proceedings in these Dominions has yet been made.

It is of interest to mention that the office of the Commissioner General in Paris has been transferred to the control of the Secretary of State for External Affairs.

I have pleasure in expressing my satisfaction with the way in which the various members of the staff have discharged their duties.

I have the honour to be,  
Sir,  
Your obedient servant,

JOSEPH POPE,

*Under-Secretary of State for External Affairs.*

OTTAWA, 30th June, 1913.

DEPARTMENT OF EXTERNAL AFFAIRS, APRIL, 1913.

## REGULATIONS RESPECTING PASSPORTS.

1. Applications for passports should be made in writing and enclosed in a cover addressed to "*The Honourable the Secretary of State for External Affairs, Ottawa*".

2. The charge for a passport, whatever number of persons may be named in it, is two dollars. The fee payable must accompany the application. Postage stamps will not be received as payment.

3. Passports are granted only to British born subjects or to persons naturalized in the Dominion of Canada. A married woman is deemed to be a subject of the state of which her husband is for the time being a subject.

4. Passports are not valid after five years from the date of issue. Fresh passports must then be obtained. When the party is a naturalized British subject he will be so designated in his passport.

5. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the production of a declaration by the applicant, a blank form of which may be obtained at this department, verified by a declaration made by any banking firm or by any mayor, magistrate, justice of the peace, minister of religion, surgeon, solicitor, or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced in addition to the declaration.

6. If the applicant for a passport be a NATURALIZED BRITISH SUBJECT, his certificate of naturalization must be forwarded to the Department of External Affairs with the declaration; and his certificate of naturalization will be returned with the passport to the person who has communicated with this Department in the applicant's behalf for delivery to the latter. A statutory declaration to the effect that the proposed visit abroad is of a temporary character—giving the probable duration of same—and that the applicant intends to return to Canada and reside here permanently, must accompany the application for a passport.

7. A passport cannot be issued by the Department of External Affairs on behalf of a person already abroad; such person should apply for one to the nearest British Mission or Consulate.

N. B.—Although travellers are now free to enter most foreign countries without passports, colonial British subjects travelling abroad are recommended not to omit to provide themselves with passports, for even in those countries where they are no longer obligatory, they are found to be useful as affording a ready means of identification in case of need. British subjects intending to *reside* in Germany or Switzerland should provide themselves with passports.
